Objectives:

Seeking the right place to have strong technical and analytical skills with subsurface experience and proven track record in a variety of stratigraphic and structural settings, and communication and leadership skills.

Education

- **Minia University, Geology Department, Petroleum Geology specialization**

Bachelor Science Faculty of Science, 3.24 from 4

- Grade: (Very Good)

- Rank: 5th.

- **Graduation Project:**

- 1. Rifting stages & Extensional Forces of Red Sea.

- 2. Sedimentary Environments.

- 3. Structural elements of the Gebel El-Zeit and Zeit Bay oil fields, Eastern Desert, Egypt, 2012. (Excellent).

- Secondary school "El-Ethad Secondary School."

Training:

- **IBA Simulation (Imperial Barrel Award):**

Training to how to use borehole logs and seismic data and available geological paper to evaluate the prospects and leads.

- **OFFSHORE SHUKEIR OIL CO. (OSOCO):**

Training on (Background about the exploration functions and well operation that how you can prepare final report).

- **General Administration of groundwater** to the north of the valley in Minia:

Training on (How to get underground water by drilling and identify well location by GPS, and analytical methods in lab.).

- **National Water Research Center (Water Resources Research Institute):**

Training on (General Geology, Principles of underground water, Geophysical Survey, Mapping, Drilling Wells, Rain Water harvesting).

- Gravity Exploration about underground water in Fayoum City.

Private Courses:

- Basic open hole logging and Formation Evaluation (qualitative & quantitative) with Mr. Wael Lotfy.

- Seismic Interpretation with Dr. Ali Baker.

- Petrel and Techlog in Schlumberger.

- Petroleum Geology School (Acidizing, Basics of well testing, Formation Damage) in the winter holiday Oil&Gas skills with Mr. Ahmed Algarhy.

- TOEFL Local (ITP) in the summer holiday of 2010 in Manara Academy.

- Basic English Conversation Skills.
- Advanced Personal Skills Diploma (Effective Leadership Principles-Strategies of enrichment arts- Strategies of effective communication- Strategies of powerful negotiation) in the summer holiday of 2011 in Winning Academy.
- ICDL international Computer Driving License in summer holiday of 2011 in Minia University.

Activities:

- “July, 2011 until Now”: President of the American Association of Petroleum Geologists- Minia University Student chapter
- “October, 2011 until Now”: Representative of the Organization of Egyptian Geologist in Minia City.
- “April, 2011 to November 2011” Within the Public Relations Team in Wining Academy.
- “April, 2011 until Now” Secretary of the social committee and trips in the Faculty of science.

Rewards:

- Certification to participate in the public service in my faculty.
- Certificate to Announce for electotoral from my faculty.
- Certificate to my Activities in the university camp from Leadership Development Institute in Helwan.
- 1st place in the Smoking Research in all Minia Governorate.
- 1st place in the in the society Activity in my prep school.

Hobbies &Interests:

- Reading (my last readable book is Don't Be Sad to Karni)
- Swimming.

Personal Skills:

- Ability to learn until Death. Work under Pressure.
- Communication and Negotiation and Presentation skills.
- Fluent English (writing, speaking, reading).
- Computer especially in network society as Facebook and Linked In sites.

Membership:

Member in AAPG; Member No.:10075516
